THE PROPERTY

WHO WE ARE

Built around the preservation of the original structure, Watershed honors the property's history and character while introducing new hospitality experiences to the neighborhood. Our project is grounded in thoughtful design, long-term community value, and the creation of spaces that encourage people to gather, connect, and return regularly.

Watershed is designed to host community gatherings, neighborhood events, and private celebrations throughout the year. With flexible spaces and hospitality-driven concepts on-site, the property offers opportunities for both public programming and private events in the heart of Austin.
