We look forward to welcoming you and your guests!

Flexible Space & Budget

The Galit inspired menu can be executed and served at Galit or in the private event space in our sister restaurant next door, Cafe Yaya. Your needs and our availability for your event will determine the best place to host you and your guests.

Deposits & Payments

50% of the food and beverage total will be due with contract upon signing. Payment of the event total and any additional charges incurred during the event will be charged to the card on file. A final receipt will be sent via email. Deposits paid toward the private dining space may not be transferred to a table in the main restaurant.

Menu Selections & Guest Count

We ask that pre-selected menus are due 7 business days prior to your event. If menu selections are not received by this deadline, we will reach out directly to help with menu selections, chef's choice may apply. Final guest count & any dietary needs are due 3 business days prior to your event.

Custom Desserts

Inquire about custom cakes provided by our talented pastry chef, Mary. Cutting/plating fee applies for any outside bakery cake served onsite (\$5pp).

Vendors

Private events by Cafe Yaya does not require the use of specific vendors for your event; however, we would be happy to provide a list of recommendations. Any vendor is welcome to arrive up to 1-hour prior to your event start time for setup. Cafe Yaya can help with floral, linen or other equipment rental needs.

Galit does not offer valet parking/dedicated parking lot. There is a public parking garage located directly down the street at 2316 N Lincoln Ave, and the entire neighborhood is surrounded with street parking.

Decor

We welcome outside decor, with prior approval. Confetti and glitter are not permitted. Nothing sticky/potentially damaging to be hung from walls/ceiling/floors.
