THE YACHT CLUB

The Yacht Club is our new flagship. It's a spectacular on-shore clubhouse, open to all and ready to serve you in any weather, all year 'round. The setting on the tenth floor of the iconic Starrett-Lehigh Building offers extraordinary panoramic views inside and out. Multiple event spaces span the two indoor Dining Rooms and 15,000 square feet of terraces.

The choice is yours: the Dining Room or Private Dining Room for elevated coastal cuisine and classic cocktails inside. Or The Grand Cabana for sun-drenched lunches and smaller gatherings outside. Or The Lido Deck for golden-hour spritzes and large-scale gatherings. Or the exclusive Sun Deck, our prestige upper terrace for carefree evenings under the stars.

Menus at The Yacht Club feature raw and prepared oysters, lobster three ways, festive seafood towers, and Montauk's daily catch. On the beverage side, it's everything you like to drink: sunny spritzes and fully stocked ice chests, elegant martinis and coupes, a world of bubbles, summery beers, and easy-drinking wines.

With its array of configuration and complete hospitality services, the Yacht Club can host events in scope from 20 to 700 guests.

Location 212 12th Ave. New York, NY 10001

The Lido Deck

The Lido Deck is our spectacular and seemingly endless main rooftop terrace. It perches over the Hudson River waterfront and offers 270-degree views that go on for days. Pictures cannot do justice to the experience of setting sail on the Lido Deck with hundreds of friends. This impressive space is unique in New York City and creates unforgettable events. Its features include The Grand Cabana and additional cabanas, lush floral landscaping, a full cocktail bar, an outdoor oyster bar, and extensive seating areas throughout, from the sun-drenched railings to sheltered garden nooks. The Lido Deck (inclusive of The Sun Deck) has a maximum capacity of 500 guests with custom F&B offerings. Or our outdoor spaces can be combined with our indoor spaces for a full-house capacity of up to 700 guests. Tented options available.
