Celebrate Your Birthday Or Celebration with an Adventure!

Looking for a birthday or celebration that goes beyond the ordinary? **Adventures of Intrigue** offers an unforgettable, interactive experience with our open concept escape room adventures. If you're hosting a small birthday party or simply gathering a group to have an adventure of your choosing, we provide a flexible, fun environment that's perfect for all ages.

Why Celebrate Your Birthday/Celebration with Us?

- **Choose Your Adventure:** Unlike traditional birthday parties, **Adventures of Intrigue** allows you to select an immersive escape room adventure that suits your group's interests. Every guest will participate in an exciting experience that brings everyone together for a memorable time.
- **Parents & Guardians:** While we love everyone to join in on the fun, parents or chaperones are not obligated to participate in adventures with the birthday party **outside of the chaperone requirement for our party adventures**. If you are coming to decorate and make sure everyone has cake, that's ok too! Just let us know who is participating when you arrive. **It will not cost extra for adults to participate/monitor if it is required for our policy – see the next page of this document for more information.**
- **Flexible Options:** Whether you want to book a full birthday/party event with the VIP room or just bring a group to play an adventure, we offer flexible options to match your celebration. Guests who don't opt for the VIP room can still enjoy the lobby, where they can relax before or after the game.
- **Discounted Per-Person Rate:** Celebrate your special celebration with a discounted per-person rate on any adventure of your choosing. This makes it easy and affordable to gather friends and family for a birthday adventure.
- **Immersive Staff Support:** Our staff will be there to guide your group through the adventure, offering hints and assistance as needed, ensuring everyone has a great time.

Party Packages

We offer flexible options to help you celebrate your birthday, with a specific rate towards adventures for your party:

Basic Party Package

Our **Basic Party Package** is perfect for private celebrations and includes the use of our VIP Room for a flat rate of **\$150** for 2 hours

Adventure Rates:

- **\$25 per person** for a **Main** adventure.
- **\$15 per child** for a **Children's** adventure.

Chaperone & Adult Requirements

Chaperone Requirement Breakdown

To make sure everyone has the best adventure possible, we ask that there be one chaperone or guardian participating in the adventure for every five children attending. This helps us keep the fun running smoothly and ensures that everyone can fully enjoy their adventure!

Chaperones are not charged, but their assistance is needed to help navigate and keep the group on track during their adventure as well as monitor in-space:

Number of Kids	Number of Adults Required
1 – 5 kids	1 adult
6 – 10 kids	2 adults
11 – 15 kids	3 adults
16 – 20 kids	4 adults
21 – 25 kids	5 adults

Example 1: A party with 12 children would need 3 adults to help everyone enjoy the adventure together.

Example 2: For a group of 8 kids, 2 adults would join in to share the fun and excitement.

Thank you for helping us create a memorable and engaging experience for everyone!
