

We are thrilled that you're interested in Garden Cafe for your event!

The following information outlines our services and pricing and is meant as a starting point to see if the Cafe is right for you. We will do our best to realize your vision.

The evening buyout rate grants you exclusive access to the entire restaurant, garden, patio and parking lot from 5:00pm until 11:00pm. Due to our unique location events need to end at 10:00pm, but there is a grace period before the premises need to be cleared. Standard sales tax (8.25%) and gratuity (20%) will be charged in addition to the minimum buyout rate. If the minimum is not met, the balance will be charged as a venue fee. The buyout rate includes all food and beverage, staff, rentals, etc.

There is a gated parking lot immediately next to the Café, and street parking is also available.

The Café has a Sonos speaker system for playlists. You may use our playlists or create your own on Spotify, to share with us.

Due to our location, with single family homes sharing our fence, we do not allow DJs or Microphones/PA Systems outside after sunset. You may continue to use the Sonos system for music.

To reserve your date, we require a deposit of 15% or \$500, whichever is greater. The deposit is non-refundable unless the event is canceled 31 days or more prior to the event date. We are flexible with cancellations closer to the event date due to forces of nature, pandemics, et cetera, and will work with you to reschedule. Deposits may be made by cash or check.

For large parties that don't require a full private buyout please inquire.
