Main DINING ROOM

CAPACITY: 250 STANDING | 150 SEATED

The main dining room at 5Church Midtown is a visually striking and versatile space, ideal for hosting unforgettable events. The ceiling itself is a conversation piece—hand-painted with the full text of *The Art of War* by Sun Tzu—creating a bold, dramatic atmosphere unlike any other venue in the city. This expansive room can accommodate up to 150 guests seated or approximately 250 guests standing, with flexible layouts tailored by our sales team to suit your event needs.

Buffalo ROOM

CAPACITY: 60 STANDING | 45 SEATED

The Buffalo Room is a semi-private space nestled within the main dining area of 5Church Midtown, offering the perfect blend of energy and intimacy. Separated from the front dining room by thick black curtains and featuring the hand-painted Art of War ceiling, the room can be fully enclosed for a more private experience or left open to stay connected to the lively atmosphere of the restaurant. Accommodating up to 45 guests seated or 60 standing, the Buffalo Room is a versatile choice for business dinners, birthday celebrations, or cocktail-style events.

Nickel ROOM

CAPACITY: 40 STANDING | 35 SEATED

The Nickel Room is a stylish semi-private space located at the back of the main dining room on the first floor of 5Church Midtown. Separated from the adjacent Buffalo Room by thick black curtains, this intimate space features the iconic hand-painted Art of War ceiling and a striking oversized nickel artwork that serves as a bold focal point. With capacity for up to 35 guests seated or 40 standing, the Nickel Room is perfect for small corporate gatherings, intimate dinners, or cocktail events that still want to feel part of the restaurant's dynamic atmosphere.

Buffalo & NICKEL ROOM

CAPACITY: 100 STANDING | 80 SEATED

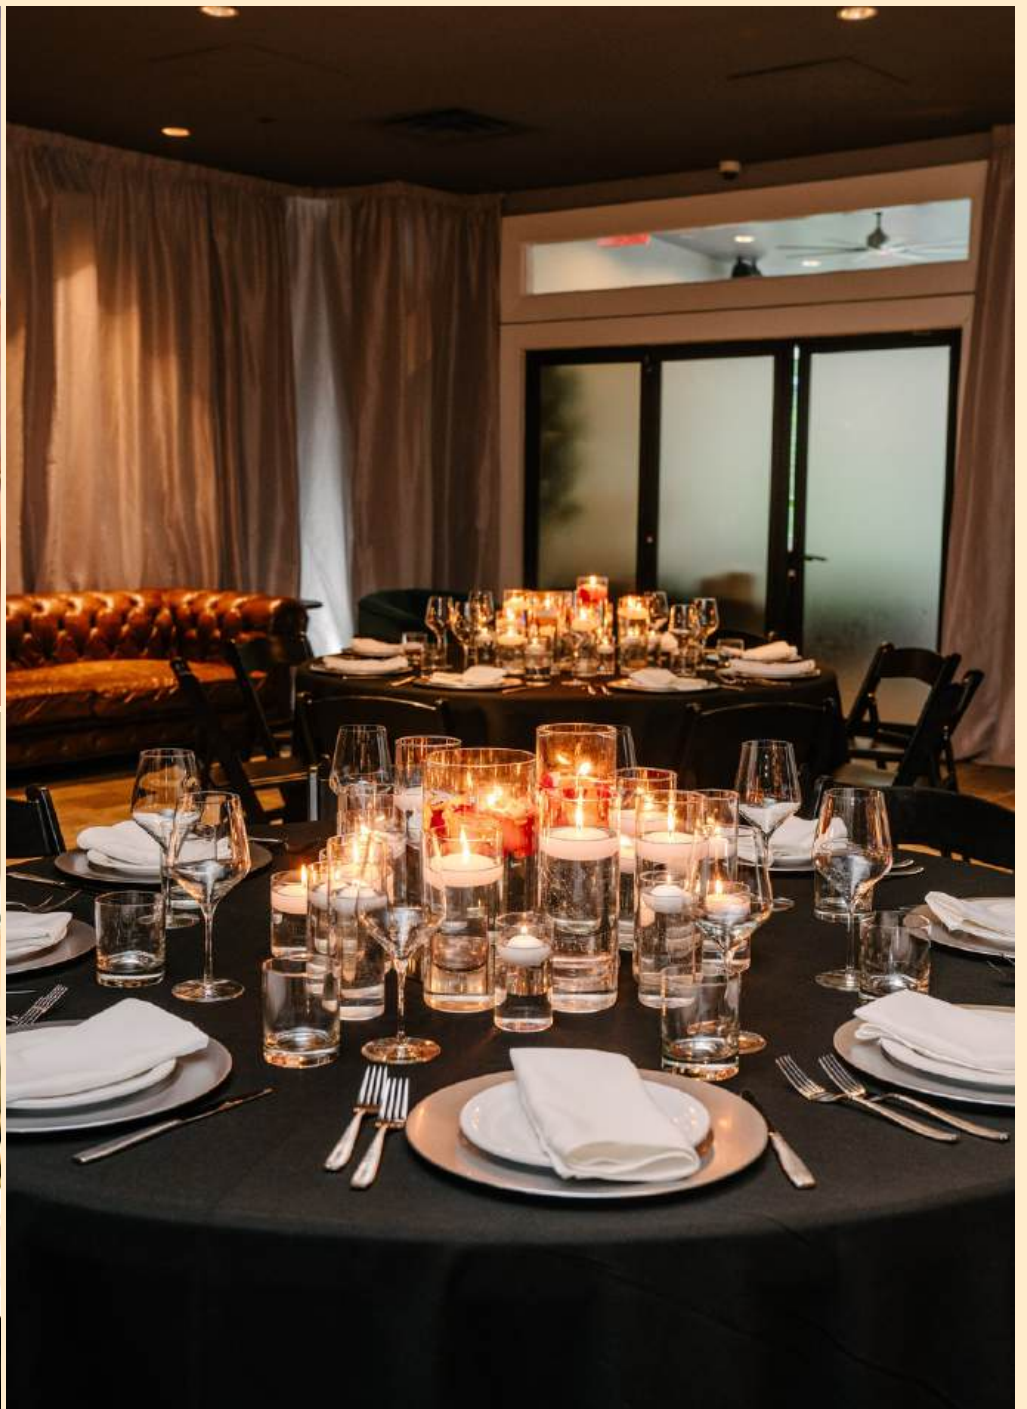

For larger gatherings, the Buffalo Room and Nickel Room can be seamlessly combined into one expanded semi-private space by opening the thick black curtains that divide them. Together, this connected area retains the signature design elements of 5Church Midtown—including the striking hand-painted Art of War ceiling and bold artwork—while offering increased capacity for up to 80 guests seated or 100 standing. Ideal for corporate events, receptions, or group celebrations, this flexible layout allows guests to enjoy a more spacious setting without losing the vibrant energy of the main dining room.

Upstairs **PRIVATE DINING ROOM**

CAPACITY: 150 STANDING | 120 SEATED

The Second Floor Private Dining Room at 5Church Midtown is our most versatile and spacious event space, perfect for elegant dinners or lively receptions. With a capacity of 120 seated or 150 standing, this room features a private bar, private restrooms, a stage, and advanced A/V including a projector and custom uplighting to set the perfect mood. Located adjacent to the rooftop, it offers easy access to some of the best views in Midtown, making it an ideal choice for private events, corporate functions, and celebrations.

Virtue ROOFTOP

CAPACITY: 150 STANDING

Virtue Rooftop offers an unforgettable event experience with a perfect blend of indoor comfort and open-air vibes. Half of the rooftop is covered and enclosed, featuring large brown couches, plush blue chairs, a full bar, and incredible original artwork. Glass floor-to-ceiling accordion doors open to the uncovered outer patio, which boasts blue lounge couches, cozy fire pits, and the iconic “Stay Sexy Atlanta” neon sign—perfect for soaking in the Midtown skyline. With a capacity of 150 standing, Virtue Rooftop is ideal for cocktail-style events featuring passed hors d’oeuvres or buffet service but is not suited for plated dinners. For the ultimate experience, you can book the entire second floor, gaining access to both the private dining room and rooftop, creating a seamless flow for your event.

SELECT YOUR *Dining Style*

We believe that how you dine is just as important as what you dine on. Whether you're hosting an elegant seated dinner, a lively cocktail reception, or a celebratory gathering with shared plates, we offer a variety of dining styles to suit the tone, size, and flow of your event. Our culinary team will work with you to craft a menu that reflects your vision—while our service team ensures a seamless experience from start to finish.

PASSED & STATIONARY HORS D'OEUVRES

Perfect for cocktail-style events or mixers, this option allows guests to mingle and sample a variety of bites. Passed hors d'oeuvres circulate throughout the room, while stationary displays offer beautifully arranged selections for guests to graze at their leisure.

FAMILY STYLE DINING

Family-style dining is a warm, communal way to enjoy a meal that encourages conversation and connection. Large shared platters are placed in the center of each table, allowing guests to serve themselves and pass dishes around—just like at home. This style offers the variety of a buffet with the elegance of a seated dinner, making it ideal for celebrations where togetherness is part of the experience. It's also a great option for guests who like to try a little bit of everything without being limited to a single entrée selection.

PLATED DINING

Plated service is our most traditional and elegant dining style, perfect for formal events like weddings, corporate dinners, and milestone celebrations. Each guest is served a multi-course meal individually at their seat, allowing for a beautifully timed and cohesive dining experience. This option offers the highest level of presentation and service, ensuring that every plate arrives with care and precision. It's ideal when you want to create a refined atmosphere with minimal movement during the meal.

BUFFET DINING

Buffet dining offers flexibility, variety, and a relaxed atmosphere that works well for larger groups or more casual gatherings. Guests are invited to help themselves from a curated spread of entrées, sides, and salads, allowing them to build a plate that suits their preferences. Buffets can be arranged in a single line or in multiple stations to keep the flow of service smooth and efficient. It's a great way to encourage mingling while still providing a hearty, satisfying meal with something for everyone.

SELECT YOUR *Beverage Package*

Our award-winning beverage team is here to elevate your event with custom bar options designed to fit your vision and budget. Whether you're planning a formal dinner, cocktail-style celebration, or corporate mixer, we offer three flexible bar packages to suit your needs:

ON-CONSUMPTION BAR

For the most flexible bar option, choose the on-consumption bar tab. This allows your guests to order any beverage they prefer, and you'll only be charged for what is actually consumed. You can also set a maximum price per drink—for example, covering only beverages priced at \$15 and under—to help manage your budget. Once your event reaches the pre-paid minimum, you have the option to convert the bar to a cash bar to avoid overages, or simply keep the tab open and continue covering drinks for your guests.

TICKETED BAR

A ticketed bar is a great way to offer guests a curated drink experience while keeping control of your budget. We offer three tiers of drink tickets—beer & wine, standard liquor, and premium liquor. You'll pre-purchase a set number of tickets in advance and can choose to distribute them to guests as they arrive or throughout the event. Each ticket can be redeemed for one drink within its category, giving your guests options while keeping spending predictable.

OPEN BAR PACKAGES

Open bar packages offer a seamless, all-inclusive experience for your guests, allowing them to enjoy unlimited drinks for a set duration—typically two hours. We offer tiered options including beer & wine, standard liquor, premium liquor, and ultra-premium liquor packages. While shots are not included, mixers are available, and guests can enjoy a wide selection of standard cocktails, beer, and wine. Please note that 5Church specialty cocktails are not included in these packages. This is a great option for those looking to simplify planning and create a relaxed, worry-free atmosphere for their event.
