GENERAL INFORMATION

A non-refundable deposit is required to hold an event space & date for your event.

We will prepare a contract with all the event details for you to review and sign. All contracts must be finalized 30 days prior. **Payment policy requires 50% of the estimated event cost 30 days prior, with the final balance due one week prior to the event** (only exception is tab bars by consumption). **Failure to pay the event in full one week prior will terminate the contract and your event will be cancelled.** A credit card is required to guarantee any charges incurred over the total balance paid.

The Chef would like a preliminary count of guests attending 14 days prior to your event. The final guaranteed guest count (and entree counts for plated options) is due one week before your party. No allowance or credit will be extended if any less than the guaranteed number is in attendance. Any additional guests in attendance will be charged appropriately.

Your event may not exceed your allotted time. In the event that your event runs past your prearranged time you will incur a charge of \$150.00 for every 30 minutes you exceed your scheduled end time.

Your food service will start no later than 30 minutes past your scheduled time-frame in the event that your guests are late. Please specify at which times you would like the food service to begin for your event.

The only outside food you may bring into the establishment is anything classified as a dessert and banquet manager to be notified when finalizing contract. **No alcohol of any sort may be brought into the establishment.**
