

EVENTS AT  
**MADE**

## INTRODUCING EVENTS AT MADE

The Food and Beverage options at **MADE** consist of a communal kitchen and two separate bar spaces with fresh, seasonal, and inventive ingredients.

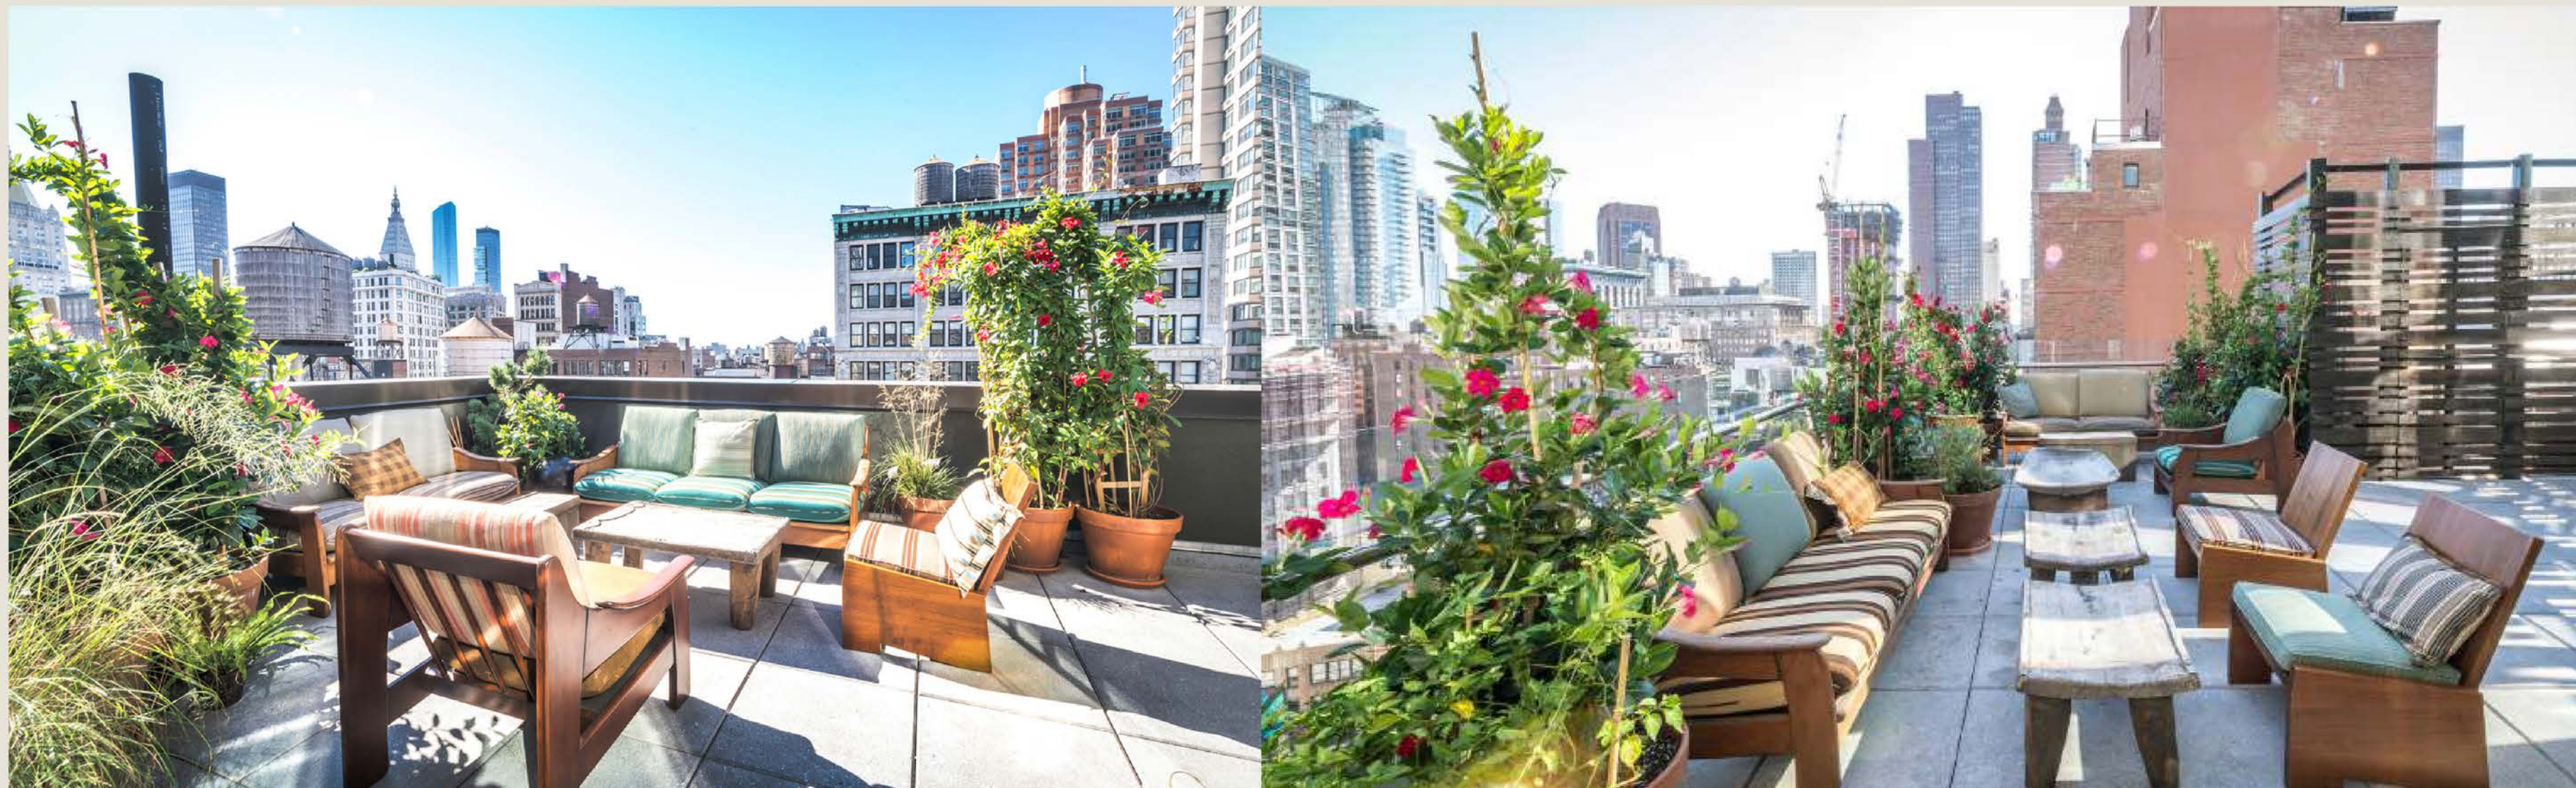

We look forward to providing a customized experience for your upcoming event

A modern rooftop lounge or terrace. The space is filled with lush green plants, including large palm trees and various potted foliage. The seating area features blue and white striped sofas and brown striped ottomans, accompanied by round wooden stools. Large windows on the right side offer a view of a city skyline with a red crane visible. The ceiling is decorated with several spherical glass pendant lights. The floor is made of light-colored tiles, and the overall atmosphere is bright and airy.

**GOOD BEHAVIOR**

**A stunning 18th floor lounge with panoramic views of New York City. Good Behavior offers seasonal Tiki-Inspired cocktails, craft beers, and a full in-house catering menu.**

# GOOD BEHAVIOR

The unique layout makes Good Behavior an ideal space for intimate gatherings and large parties alike.

Stationary food options are available through our kitchen at Debajo.
