

SCHOOLHOUSE BREWING

Private Events Guide • Marietta, GA

A working brewery in Marietta that also happens to be one of the best private event spaces in Cobb County. No banquet hall, no hotel ballroom. Just a real taproom with 20+ beers on tap, house wine, sangria, and house made margaritas, pinball on the walls, and space for groups from 20 to 200+.

THE SPACES

Semi-Private Space

45 seated / up to 70 mingling

Tables, chairs, and sound system included. The taproom stays open to the public around you, so the room still has energy without losing your privacy.

Full Facility Buyout

The whole building, closed to the public

Every tap, every table, every pinball machine, just for your group. Best for large reunions, weddings, and corporate events.

CATERING & ADD-ONS

We don't have an in-house kitchen. Bring your own caterer or food truck, or ask us for a list of local favorites who know our space.

Add-ons available: pinball tournament package for your group, and a custom tap takeover with your event name on the board.

Drink packages (beer/wine/cider by the pour, or a flat per-guest package) are available. Ask us for a quote for your date and headcount.

QUICK QUESTIONS

Can we bring a DJ?

Yes, or use the house sound system for a playlist.

Is the taproom open to the public during our event?

Depends on the space. Semi-Private keeps the taproom open around you. Full Buyout closes it to the public.

How far ahead should we book?

The sooner the better, especially for weekend dates.
