Gather. Celebrate. Make It Yours.

An Event Venue That Feels Like a Celebration

Mickey's offers two distinctive event spaces under one roof: **The Grand Room** for larger celebrations and **The Social Room** for more intimate private gatherings. Our goal is to give hosts the flexibility of a private venue with food, drinks, service and entertainment already built in.

From rehearsal dinners and milestone birthdays to corporate gatherings, showers, graduations, fundraisers and holiday parties, Mickey's can be transformed from everyday gathering place to a polished event setting.

THE GRAND ROOM

Larger celebrations, plated or buffet-style dining, presentations, entertainment and full-room experiences.

THE SOCIAL ROOM

Private celebrations, showers, meetings, birthdays and smaller gatherings with a dedicated bar.

The Grand Room

A flexible setting for your biggest moments.

The Grand Room combines exposed timber, statement chandeliers, a fireplace, an illuminated bar and multiple screens with a floor plan that can be configured for formal dinners, casual celebrations, presentations and entertainment. Event setups give the room an entirely different feel - allowing you to create a celebration that looks and feels like your own.

Ideal for: rehearsal dinners • milestone birthdays • anniversaries • holiday parties • retirement celebrations • corporate events
• fundraisers • reunions • watch parties • large social gatherings

Capacity: Up to approximately 120 guests depending on layout, event format and space configuration.

Designed to Transform

Long banquet tables, smaller groupings, presentation layouts and celebration-focused setups can all work within the Grand Room. The photos below show how the space can shift from a dining event to a more social or presentation-driven experience.

More Than Just a Room Rental

The best events are about the experience around the room - the food, the details, the people and the moments guests remember. Mickey's can support buffet-style service, desserts, celebration displays and other event needs while keeping food and beverage service conveniently on site.

The Social Room

Private, comfortable and made for gathering.

The Social Room is Mickey's dedicated private event space for groups that want their own room without reserving the entire venue. Flexible tables, a dedicated bar and wall-mounted screens make it equally comfortable for celebrations, meetings and social events.

Ideal for: birthday parties • bridal showers • baby showers • graduation celebrations • business meetings • family gatherings • club and organization events • smaller corporate functions

Your Own Gathering Space

The Social Room's dedicated bar helps the space feel self-contained and gives hosts a true private-event atmosphere. Wall-mounted screens can support presentations, slideshows, videos, sports or other event content.

For guests who want additional room to mingle, patio access may also be added for an additional fee, subject to availability and event needs.
