PRIVATE EVENTS

OUR STORY

The New York outpost of Italy's internationally-acclaimed Roman street food concept, Trapizzino, brings a taste of the Eternal City to the corner of Orchard and Rivington Streets.

Thank you for considering Trapizzino for your special event.

THE ICONIC ITALIAN PIZZA POCKET

In 2008, Stefano Callegari, renowned Italian pizzaiolo, craved a novel way to serve his favorite dishes on-the-go and invented the trapizzino. This sourdough pizza triangle filled with Roman classics like eggplant parmigiana, braised oxtail, and chicken cacciatore, quickly became a hit across Italy.

Trapizzino, the restaurant and the eponymous street-food, made its U.S. debut in New York in 2017 and was met with glowing reviews from customers and sites like Eater, Viceland, and the Travel Channel.
