

A close-up photograph of a person's hands pouring beer from a tap. The tap handle is made of wood and has the words "OTHER" and "HALF" printed vertically on it, separated by a circular logo. The person is holding a glass under the tap. The background is blurred with bokeh lights, suggesting an indoor event space.

OTHER  HALF

CENTRE STREET

Whether you're hosting a large party or an intimate gathering we've got the perfect space for you.

Other Half Brewing offers both private and semi-private event spaces year-round — rain or shine. We also offer private tours + tasting packages. We provide all staffing, tables, seating, and music, and can accommodate groups as small as 10 and as large as 150, any day of the week.

MAIN TAPROOM

Book your party in the heart of the action — the main taproom at our original location! Your guests will have direct access to over 20 draft lines and will get the full Other Half experience. Note that this booking option provides dedicated tables, but is in a communal area of the taproom.

OG TAPROOM

The OG taproom is where it all started back in 2014. Enjoy a curated draft selection and more with your guests in this Other Half original. This booking option is fully private.

PACKAGING AREA

The packaging area next to our main taproom provides a dedicated space allowing your guests to order directly from over 20 draft lines. This booking option is semi-private.

Looking to book a large event? Rental of the entire space is available upon request up to one year in advance. Inquire for pricing.
